Foumal's Gardens

9000 S. E. 82nd St. - Portland 66, Oregon

We are happy to give you our fourth published Iris list. Our prices are our own - governed solely by our stock. Our stock is healthy, state-inspected, and guaranteed true to name.

No order less than one dollar; all orders postpaid and cash must accompany order. Shipping begins July 1st and is filled in order received.

It has been our practice to give one or more Iris free with each order, but as this may make duplications for you, we have decided to let you make your own selection, therefore, with any order of \$3.00 or more you may select 30% of the order in premiums.

Visitors are always welcome in our gardens. All Iris lovers should be a member of the American Iris society.

ONCOBREDS

These fascinating hybrids have all the appeal of the Onococyclus and Regelias but are as easily grown as Bearded Iris. Are very early, flowering before the Intermediates.
